A FUNDRAISING EVENT SUPPORTING:

Community Service: As active members of their communities, Rotarians are often aware of local needs, priorities, culture, and resources that contribute to effective service projects. Effective service projects, however, require more than just an understanding of the community. They also depend on the club’s ability to effectively evaluate the community’s needs, plan relevant projects, and manage a project’s resources.

International Service: The Rotary motto Service Above Self conveys the humanitarian spirit of the organization’s more than 1.2 million members. Strong fellowship among Rotarians and meaningful community and international service projects characterizes Rotary worldwide.

Youth Service: Youth Service recognizes the positive change implemented by youth and young adults through leadership development activities, involvement in community and international service projects, and exchange programs that enrich and foster world peace and understanding.

Vocation Service: Membership in Rotary is based on a member’s vocation, with each club striving to create a microcosm of its community’s business and professional world. Through vocational service, Rotarians are expected to adhere to and promote high ethical standards in all their business dealings, recognize the worthiness of all useful occupations, and contribute their professional expertise and skills to addressing societal problems and needs.
